mind for better mental health | Coventry and Warwickshire

# Intensive Recovery Support Service

## - CQC Registered Personal Care Service -

## Community based Support Service

**Does your client need intensive mental health support?**

Yes

Does your client need support with:

- Setting up and maintaining a tenancy
- Developing domestic and life skills
- Advocacy and liaison
- Aspects of personal care
- Managing finances and benefit claims
- Emotional support and advice
- Accessing other services
- Establishing personal safety and security
- Maintaining a healthy lifestyle
- Exploring spiritual and faith needs
- Establishing supportive relationships in the community
- Getting support to look at future employment

No

If your client requires less than 7 hours support in the community, refer to CW Mind Floating Support Service.

**Does your client need support and accommodation?**

Yes

We have a range of accommodation available. For Intensive support see IRSS on www.cwmind.org.uk

No

Intensive Recovery Support can also be offered in the community. See IRSS on www.cwmind.org.uk
